

THE
PRIORY
 HOSPITAL
 NORTH LONDON

Finding your way to the Priory Hospital North London

By Car: Leave M25 at Junction 24 to join A111 (signposted to Cockfosters). Continue on A111 past Cockfosters Station to Southgate Circus (a roundabout which contains Southgate Underground Station). Continue on A111 for 200 yards; the hospital is on the left, and signposted.

or: Proceed to 'Great Cambridge roundabout' - junction of A10 and A406 North Circular Road. Take exit from that roundabout signposted to Southgate. The Priory Hospital North London is about 2 miles on that road to the right, and signposted.

By Tube: Take the Piccadilly line to Southgate. There is a directions map on the right hand wall just as you exit the station. When you come out of the station turn to your right and head towards the HSBC bank which you will see on the other side of the road. This means crossing over two zebra crossings. Once done, you should head down The Bourne until you reach the 3rd exit on your left which is Queen Elizabeth Drive. You will see the entrance to the hospital on the corner and you should follow the drive down to the hospital. It is approximately a 10 minute walk but if you are coming at night you should try and get a taxi from outside Southgate tube station.

A map and hotel list can be provided on request.
