

Finding your way to Woodbourne Priory Hospital

From M6 (North/South)

Exit motorway at Junction 6 and follow signs for the A38(M). At end of A38(M) continue straight ahead over flyover and then through the Queensway tunnels emerging on Bristol Street. Turn right at traffic lights onto Lee Bank Middleway (A450). Follow the road to Five Ways Island. Take 2nd exit left onto A456 Hagley Road out of Birmingham. Continue along the Hagley Road and at the 4th set of traffic lights turn left into Norfolk Road. Turn right at the next set of traffic lights into Augustus Road. Continue straight over the mini roundabout and the hospital is positioned on the right hand side.

From M5 (The Southwest)

Exit at Junction 3. At roundabout take 3rd exit and follow A456 sign posted Birmingham City Centre. After the 2nd set of main traffic lights turn right after the pelican crossing into Meadow Road, which becomes Woodbourne Road. The hospital is positioned on your left hand side.

From M40

Join the M42 South at Junction 3A, continue to Junction 4A. Join M5 North to Birmingham and exit at Junction 3. At roundabout take 3rd exit and follow A456 sign posted City Centre. After the 2nd set of main traffic lights turn right after the pelican crossing into Meadow Road, which becomes Woodbourne Road. The hospital is positioned on your left hand side.
