Finding your way to the Priory Grange Bristol

By Car: From M4 take Junction 19 for the M32 and exit at Junction 2. Take the 4th exit off the roundabout, as if going back onto the M32, and turn left at the slip road marked B4058 Frenchay and head straight through the approaching traffic lights. Take the 1st left onto Barkleys Hill, and then the next immediate left onto Heath House Lane. Enter the private lane via the electronic arm. The Priory Grange Bristol is the first building on the right. (The Priory Hospital Bristol is at the end of the lane).

By Train: Travel to Bristol Temple Meads or Bristol Parkway Station and take a taxi to the hospital.

By Bus: Local services 4 and 5 from the City Centre stop on Bell Hill. Please note it is a 20 minute walk from the bus stop to the hospital.
