Priory Hospital
North London

Expert mental health and addiction treatment
Priory is the UK’s leading provider of therapy and consultant-led mental health treatments

Every year Priory wellbeing centres and hospitals across the UK help over 10,000 people experiencing mental health issues such as anxiety and depression or addiction.

Our personalised programmes of care deliver the excellent results you would expect from Priory.

The programme enabled me to release myself from my past and allow me to move on and start a foundation for a new life.

FORMER PATIENT ON NORTH LONDON’S TRAUMA PROGRAMME

97% of patients from the North London acute mental health service stated that they felt safe during their stay.
Located in a secluded part of Southgate, Priory Hospital North London is set within a striking Grade I listed building. It is one of the UK’s leading centres for the treatment of a wide range of mental health difficulties such as depression, anxiety and addictions. It has been a Priory hospital since 1986.

Our flexible and patient-centred treatment programmes are developed by expert psychiatrists, mental health nurses, psychologists and therapists. This multidisciplinary approach allows for a package of care that ensures the patient is at the heart of all decisions made.

We have a private ward with a total of 27 single occupancy bedrooms, each with ensuite facilities. The hospital also provides:

- Relaxing living areas
- Beautifully landscaped gardens
- Peace and tranquility with a nearby lake and park for a place to unwind
- A restaurant with catering to suit your dietary needs
- Housekeeping
- Easy access from the M25, London’s major airports and from Central London via Southgate tube station

Our flexible services provide inpatient care, day care and outpatient assessments and appointments as well as specialist child and adolescent outpatient services and an obsessive compulsive and related disorders unit.
Our programmes

At North London we have leading expertise in mood, anxiety and trauma, as well as obsessive compulsive and related disorders.

Our obsessive compulsive disorder (OCD) service for adults, is unique to North London and as a University teaching hospital, we are always up-to-date with the latest psychological research in this field.

We tailor all our programmes to the specific needs of the individual, ensuring the best possible outcomes are achieved.

Our outpatient, inpatient and day care patients are provided with every resource they need to make a strong recovery and return to a positive way of life.

Specialist young people’s service

Our young people’s outpatient service is youth-orientated, and focuses on the individual needs of our patients. We provide a range of psychodynamic, systemic, behavioural and cognitive therapeutic approaches.
