

Priory Hospital Altrincham

Priory Hospital Altrincham provides a peaceful, welcoming and homely feel, and offers the perfect environment for adults and young people to receive specialist treatment for a range of mental health challenges, including addictions, depression, anxiety and stress. Our treatment programmes are tailored to the specific needs of the individual, ensuring the best possible outcomes.

We are one of the UK's leading mental health treatment centres and our dedicated team is committed to ensuring that you benefit from a safe and comfortable environment at all times, and receive the highest standard of care for your mental health concerns.

Location and environment

The hospital is a manor-style house located in a tranquil part of Cheshire, with landscaped grounds and a peaceful and homely feel delivering the perfect environment for treatment.

- + Private, single occupancy bedrooms with en-suite facilities
- + Newly refurbished and relaxing living areas
- + A restaurant with catering to suit all dietary needs
- + Easy access from the regional motorway network and Manchester Airport
- + Near both Dunham Massey Hall, Tatton Park, and the village of Hale

Treatment programmes

Our psychological group-based programmes and individual psychotherapies are specifically designed to treat a wide range of mental health conditions. Our private adult mental health inpatient, day care and outpatient services include:

- + A comprehensive and abstinence-based Addiction Treatment Programme
- + Medically assisted withdrawal detoxification (inpatient addiction patients only)
- + Aftercare for a year after discharge for addiction patients
- + Free addictions assessment
- + Cognitive behavioural therapy (CBT) programmes for anxiety and depression
- + An obsessive compulsive disorder (OCD) programme
- + Eye movement desensitisation reprocessing (EMDR) for post-traumatic stress disorder (PTSD)
- + Schema-focused therapy
- + Interpersonal psychotherapy
- + Dialectical behaviour therapy (DBT)

Our private Young People's Services include:

- + Outpatient psychiatric and psychological support for children and adolescents with a wide range of mental health difficulties
- + Outpatient eating disorder support

Patient and family support

Addiction and mental health, not only impacts the individual but also the entire family. At Altrincham, we ensure that we provide support to family members, helping them in their own recovery journeys.

- + Alcoholics Anonymous (AA) and other fellowship groups are offered on site or transport is arranged for off-site meetings
- + Weekly support programmes for the families of addiction and general psychiatry patients

Wellbeing activities

- + Mindfulness and relaxation classes
- + Guided walks
- + Organised recreational quizzes and movie nights
- + Escorted trips to a local gym and swimming pool
- + Creative art and art therapy for both adults and young people
- + A selection of board games, a pool table and a ping pong table
- + Multi-faith resources accessible in the local community
