Specialist team

The highly qualified team at Priory Wellbeing Centre Manchester consists of leading psychiatrists, psychologists and therapists, who bring a diverse skill set and an extensive knowledge base to our services. Our team are committed to delivering tried and tested outpatient treatment to each individual who seek support with us, equipping them with the skills to manage and overcome their mental health struggles and return to a positive way of life.

Funding

Priory offers personalised and accessibly-priced treatment packages for individuals who are looking to self-pay for treatment. While we would prefer to receive a GP referral when a patient enters our services, this isn't always essential. We are also an approved provider for all of the UK's leading private medical insurers. If you have private medical insurance, a GP referral may be required by your insurer before treatment can commence. Please liaise directly with your insurer to confirm.
