CHURCH VILLAGE

Church Road, Tonteg, Nr Pontypridd, CF38 1HE

Tel: 01443 219 930

Fax: 01443 203539

- Service for females with learning disabilities and a mental health diagnosis. We have a proven track record of supporting females with LD and a PD by applying the principles of dialectical behavioural therapy (DBT). We adopt a specialist approach with each individual ensuring not only the best clinical care but also a wide range of therapies
- Patients can attend various activities in the local community as well as educational or work programmes. We have close links with the local adult learning centre and run onsite activities
- We offer a care pathway through the service with an onsite bungalow to help prepare patients for return to the community
- Autistic spectrum disorder (ASD) is not an exclusion criteria for Church Village

To make a referral, please call **0800 090 1356** 24 hours a day, 7 days a week, or email **prioryenquiries@NHS.net**

06

NHS WALES QUALITY RATING: 3Qs

LLANARTH COURT

Llanarth Court, Llanarth Raglan, Abergavenny,
Monmouthshire, NP15 2YD

Tel: 01873 840 555

Fax: 01873 840 575

- The full care pathway offered allows patients to move through to the next stage of their treatment in a timely manner
- Between 2015 and 2017 Llanarth Court discharged 109 patients. We admit patients with highly challenging presentations and are able to move them through their care pathway quickly because of the quality of interventions offered
- Provision of high-quality mental health care, and a focus on physical healthcare for all patients. A GP service three days a week is supported by a physical health team who provide clinics for patients such as clozapine, retinopathy, triage for physical health issues and emergencies. A Hepatitis C clinic enables patients to become symptom free
- We offer a 12-week rolling care and treatment programme for our patients, which is reviewed and evaluated by a multidisciplinary team
- We have good links with the local General Hospital and community services

07

MOUNT EVESWELL

22 Eveswell Park Road, Mount Eveswell,
Newport, NP19 8GS

Tel: 01633 271 784

Fax: 01633 277 509

- Providing leading person-centred neurorehabilitation programmes that are bespoke to the severity and complexity of a person's particular neurodisability. This includes traumatic brain injury (TBI), acquired brain injury (ABI) or neurodegenerative conditions such as Huntington's disease, motor neurone disease, or multiple sclerosis
- We recognise families as central to the wellbeing of the patient and they are encouraged to play a key role in goal setting and care planning
- We have a strong reputation with commissioners and carers for providing high-quality care

08

NHS WALES QUALITY RATING: 3Qs

PRINCES STREET

40 Princes Street, Roath, Cardiff, CF24 3SL

Tel: 02920 465 672

- Led by an MDT, experienced in rehabilitation, recovery and caring for people with complex needs. Patient care is reviewed every 6 weeks in MDT meeting and six monthly in care programme approach reviews
- We specialise in providing a care pathway out of secure services for people with a learning disability and have a proven track record of successfully moving people into less supported settings in the community
- A stable and experienced team who support clients through difficult situations and give opportunities to develop problem solving skills, helping them obtain further independence and social inclusion within the community setting. The service has staff on duty 24 hours a day
- Located in a residential area of Cardiff with a wide range of amenities nearby, the home is ideally located for safe, structured and gradual reintegration into the local community

To make a referral, please call **0800 090 1356** 24 hours a day, 7 days a week, or email **prioryenquiries@NHS.net**

09

NHS WALES QUALITY RATING: 3Qs

TY CATRIN

Ty Catrin, Dyfrig Road, Cardiff, CF5 5AD

Tel: 02920 556 300

Fax: 02920 556 333

- The male service delivers a high-quality biopsychosocial model of care for patients with complex mental disorders including PD
- The female service offers a highly-structured discharge pathway back to the community. We pride ourselves on the comprehensive assessments undertaken by our team who have the expertise, passion and dedication to work with very challenging females
- We work with female patients to help them make sense of their journeys and engage them in their recovery and rehabilitation, back to the community

10

NHS WALES QUALITY RATING: 3Qs

TY CWM RHONDDA

Ty Cwm Rhondda, Tyntyla Avenue, Ystrad, Rhondda, CF41 7SU

Tel: 01443 424 940

Fax: 01443 438 968

- We offer high-quality assessment, treatment and rehabilitation services for adults with complex mental health needs, serious mental illness including treatment resistant presentations and challenging behaviour
- We expect continued involvement and engagement with local services at every stage of the patient's pathway. This is particularly important in relation to risk reduction, rehabilitation, social integration and discharge planning
- Our 12-week care planning process supports patients to prioritise their goals and formulate treatment plans to meet their individual needs and recovery. Care planning is being developed further to adopt a Positive Behaviour Support model, helping patients gain more insight and recognise triggers for their behaviours with the aim of managing more effectively
- Many staff have worked here for almost 10 years. The team have an excellent understanding of our patients and develop professional, therapeutic and purposeful relationships that nurture a safe and effective environment
- Staff training is central to our service development and we exceed contractual obligations for both NHE England and NHS Wales

11

NHS WALES QUALITY RATING: 3Qs

TY FFYNU

7 Hatherleigh Road, Abergavenny, Monmouthshire, NP7 7RG

Tel: 01873 850 030

- Located in a quiet residential area, a 5 minute walk to the small town of Abergavenny. With a wide range of amenities nearby, the home is ideally located for safe, structured and gradual reintegration into the local community
- An experienced, well-trained and stable staff team, who use an individualised approach in maintaining quality of life for patients
- Staff thrive on seeing patients progress onto independent living in community
- Patients are supported by an effective MDT, experienced in rehabilitation, recovery and caring for individuals with complex needs
