

# Private Mental Health and Wellbeing Services

**Priory offers the best available option for high quality mental health treatment. Every year our private services support over 20,000 people, and our proven track record in helping people to get their lives back on track, is unrivalled.**

Each individual in our care receives an expert assessment to establish the best treatment for them. This is based on the experience of our clinicians, the proven effectiveness of different treatments, and the individual's preferences.

## Service overview

- + We provide confidential treatment for a wide range of conditions including stress, depression, anxiety, addictions, post-traumatic stress disorder, bereavement and obsessive compulsive disorder
- + Our care comes under three main categories - mental health and wellbeing services, private mental health services, and crisis care and support
- + Our treatment programmes are evidence based, tailored to individual needs and all structured within NICE guidelines
- + A wide range of confidential therapies is provided. These include counselling and cognitive behavioural therapy (CBT). These can be provided on a 1:1 or group basis
- + A national network of established addiction centres offering discreet treatment from the country's leading consultants and therapists

## Our outcomes

- + 99% of group therapy patients were satisfied with the quality of their care
- + 95% of mental health patients said they were satisfied with the quality of care they received
- + 94% of patients in addiction services said they would recommend us to a friend

## Accessing support

Priory strives to deliver an inclusive service that provides a range of innovative pricing plans and personalised packages, for individuals who are looking to self-fund or access treatment via private medical insurance.

The Priory Group is a registered and approved provider for all of the UK's leading private medical insurers, including Bupa, Vitality, Aviva, Cigna, WPA and AXA PPP.
