

Priory's addiction treatment options

Thank you for enquiring about Priory's addictions services. We understand this can be a very daunting time, but you don't have to struggle alone.

Priory addiction services help thousands of people each year take the first steps towards recovery, providing the support they need to move towards a healthier, more hopeful future.

We don't just offer treatment – we provide whole-person, end-to-end care, offering guidance, reassurance and ongoing support to help people rebuild their lives. From inpatient rehab and day care, to outpatient and online support, we cater for different needs.

Our flexible approach means people can adjust the level of care they receive throughout their journey, ensuring they always have the right support at the right time.

Benefits of Priory's addiction treatment

- + We will support you with relationship breakdowns or maintaining your professional or home life
- + You will benefit from a completely confidential service
- + Quick admission, tailored treatment delivered by experts
- + Family support
- + Sessions provide a therapeutic environment to discuss the causes of addiction, resolving issues, acknowledging feelings and developing strategies for life beyond addiction
- + Philosophy at Priory is one of compassion, confidentiality and a commitment to tailored care
- + Led by expert teams of psychiatrists, psychologists, therapists, nurses and other highly trained professionals
- + Locations nationwide
- + Our private wards offer modern en-suite bedrooms, ensuring you feel comfortable and welcome

Summary of services

+ Transform 28

Provides the highest level of comprehensive support in one of our specialist addiction treatment centres, across 28 days. Includes a medically assisted detox if needed, and involves 1:1 and group therapy, regular psychiatry reviews, wellbeing activities, family support, and aftercare. Prices from: £21,110.

+ Flourish 14/28/42

Therapy-led, residential programme based in a supportive, non-medical setting, for those looking for structure, community connection and practical tools. It offers family support, psycho-education, modern group therapy, and a non-12-step, harm-reduction approach, with pre-treatment sessions and evening groups. Prices from: £4,200.

+ Foundations 16

Provides a combination of residential and day care support across a 4-week period. Included is a 7/10 day medically assisted detox, group therapy, 9 day care sessions, specialist psychological support, family support, and aftercare. Prices from: £9,929.

+ Reset 7/10

A 7 to 10 day medically assisted detox, taking place in a specialist detox room with round-the-clock care and monitoring from our team. This means withdrawal from harmful substances can be done in a safe and carefully controlled environment. Prices from: £6,329.

+ Elevate 12

A transformative 12-week, online programme, which includes expert-led group sessions, 1:1 coaching, and evidence-based techniques like CBT, DBT, and motivational interviewing. It offers 3 flexible modules, family support and aftercare. Prices from: £3,995.

+ Recovery 360

A digital support system and companion app, which includes a clinical dashboard providing ongoing monitoring, expert guidance and timely interventions when required. Also combines a Bluetooth breathalyser with a smart tracking app, offering real-time insights, encouragement, and tailored support. Initially a 3-month programme which can be extended if needed and can be used as a standalone tool or alongside our in-person and online programmes. Prices from: £979.

+ Anchor 1:1

Outpatient therapy which offers personalised attention and care that helps with coping with emotions, thoughts and behaviours. Therapy can be delivered online or face-to-face. Prices from: £120 per session
