## Service overview

Mental health treatment and therapy at Priory Hospital Bristol and Bristol Park Clinic consists of individual sessions that patients are able to attend on a session-by-session basis.

We are able to offer a range of therapeutic techniques, which are selected according to unique needs, and delivered by our highly skilled team.

## Appointments

Our flexible outpatient appointments, available Monday to Friday, 8.30am – 5pm, mean that individuals are able to schedule convenient appointments to fit in with existing commitments.

## Specialist team

Your mental wellbeing is in safe hands at Priory Hospital Bristol and Bristol Park Clinic; our team of fully qualified consultants and therapists are leaders in this field, and are committed to providing flexible and dedicated support, empowering individuals to improve their quality of life. We ensure that we provide the best treatment possible, and deliver the most effective mental health and wellbeing support.

## Funding

Priory offers personalised and accessibly-priced treatment packages for individuals who are looking to self-pay for treatment. While we would prefer to receive a GP referral when a patient enters our services, this isn't always essential. We are also an approved provider for all of the UK's leading private medical insurers. If you have private medical insurance, a GP referral may be required by your insurer before treatment can commence. Please liaise directly with your insurer to confirm.
