Priory Hospital Woodbourne

The Manor Ward at Priory Hospital Woodbourne, in Birmingham, provides expert private addiction treatment in an exclusive and modern setting. Individuals suffering from a range of addictions, such as alcohol or drug addictions, can access specialist treatment in a discreet and safe environment, ensuring the best possible outcomes.

Location and environment

The Manor Ward comprises a total of nine single-occupancy bedrooms, complete with modern en-suite facilities, as well as a television and telephone, providing the utmost comfort and privacy to each and every one of our patients.

The hospital also provides:

- + Beautiful landscaped gardens in which to relax and unwind
- + Newly refurbished and welcoming living areas
- + An on-site dining room offering an excellent choice of dishes, with catering to suit your dietary requirements
- + Very easy access from the regional motorway network, Birmingham Airport and Birmingham New Street train station

Treatments

Our inpatient treatment programme is tailored to the specific needs of the individual, ensuring the best possible outcomes. We provide an evidence-based programme that is tailored to individual needs, all structured within National Institute for Health and Care Excellence (NICE) guidelines.

- + Specialist addiction treatment programme, which includes support for alcohol, drugs, gambling, porn, internet and shopping addictions
- + Free aftercare for a year for addiction patients who complete the 28-day programme
- + Addiction treatment is delivered on an inpatient basis, and based on the 12-Step programme of Alcoholics Anonymous (AA). During treatment, patients have access to local AA and/or Narcotics Anonymous (NA) meetings

Specialist therapies include:

- + Integrative therapy
- + Cognitive behavioural therapy (CBT) programmes for anxiety and depression
- + Eye movement desensitisation and reprocessing (EMDR)
- + Interpersonal therapy

Funding

Priory offers personalised and accessibly-priced treatment packages for individuals who are looking to self-pay for treatment.

We are also an approved provider for all of the UK's leading private medical insurers. While we would prefer to receive a GP referral when a patient enters our services, this isn't always essential. For those using private medical insurance, your provider may require you to have one before treatment can commence. Please liaise directly with your insurer to confirm.
