

Private Addiction Services

Take the first step to recovery

Live your life

Getting lives back on track

Priority addiction services help thousands of people each year take the first steps towards recovery, providing the support they need to move towards a healthier, more hopeful future.

We don't just offer treatment - we provide whole-person, end-to-end care, offering guidance, reassurance and ongoing support to help people rebuild their lives. From inpatient rehab and day care, to outpatient and online support, we cater for different needs.

Our flexible approach means people can adjust the level of care they receive throughout their journey, ensuring they always have the right support at the right time.

What do we treat?

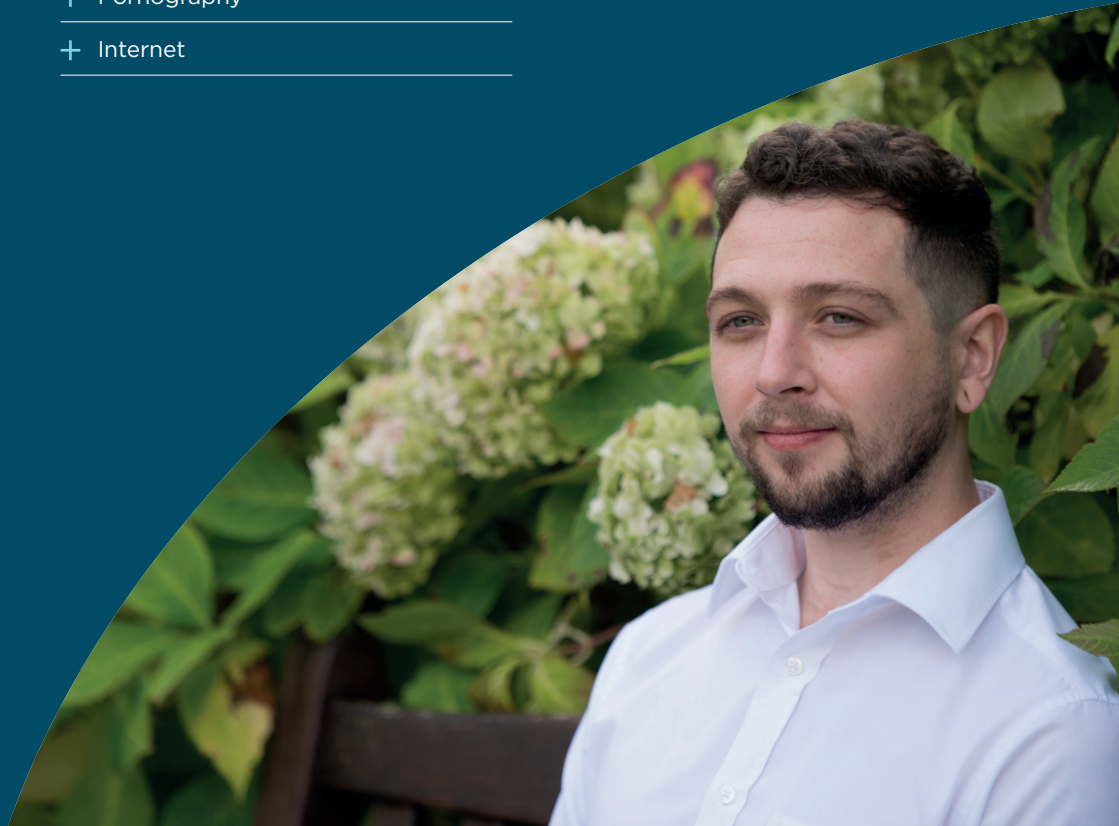

We provide confidential treatment for all forms of addiction, including:

- + Alcohol
- + Cocaine
- + Cannabis
- + Psychoactive and illicit substances (legal highs)
- + Heroin and other opiates
- + Prescription drugs
- + Gambling
- + Shopping
- + Sex and love
- + Pornography
- + Internet

Priory also provides expert support for people with food-related addictions, such as over-eating, and we have industry-leading experts for a wide range of less common addiction issues.

We also identify and treat the underlying problems that are contributing to the addiction such as depression, anxiety, obsessive compulsive disorder (OCD), bipolar disorder and trauma.

Summary of services

Transform 28: Provides the highest level of comprehensive support in one of our specialist addiction treatment centres, across 28 days. Includes a medically assisted detox if needed, and involves 1:1 and group therapy, regular psychiatry reviews, wellbeing activities, family support, and aftercare.

Flourish 14/28/42: Therapy-led, residential programme based in a supportive, non-medical setting, for those looking for structure, community connection and practical tools. It offers family support, psycho-education, modern group therapy, and a non-12-step, harm-reduction approach, with pre-treatment sessions and evening groups.

Foundations 16: Provides a combination of residential and day care support across a 4-week period. Included is a 7/10 day medically assisted detox, group therapy, 9 day care sessions, specialist psychological support, family support, and aftercare.

Reset 7/10: A 7 to 10 day medically assisted detox, taking place in a specialist detox room with round-the-clock care and monitoring from our team. This means withdrawal from harmful substances can be done in a safe and carefully controlled environment.

Elevate 12: A transformative 12-week, online programme, which includes expert-led group sessions, 1:1 coaching, and evidence-based techniques like CBT, DBT, and motivational interviewing. It offers 3 flexible modules, family support and aftercare.

Recovery 360: A digital support system and companion app, which includes a clinical dashboard providing ongoing monitoring, expert guidance and timely interventions when required. Also combines a Bluetooth breathalyser with a smart tracking app, offering real-time insights, encouragement, and tailored support. Initially a 3-month programme which can be extended if needed and can be used as a standalone tool or alongside our in-person and online programmes. Prices from: £979.

Anchor 1:1: Outpatient therapy which offers personalised attention and care that helps with coping with emotions, thoughts and behaviours. Therapy can be delivered online or face-to-face.
