

Why Priory?

Priory is the leading independent provider of mental healthcare and adult social care in the UK. We support around 26,000 people a year to move towards a healthier future so they can live their lives as fully and independently as possible.

We are a long-established and respected company, with a strong reputation, and decades of experience in mental health and wellbeing services. We are dedicated to supporting people to improve their health and wellbeing, and we understand that the most effective services and treatment are based around each person's specific needs.

Our nationwide network of hospitals and wellbeing centres, along with our online services, makes us as accessible as possible across the UK and our personalised care for every patient's unique needs adheres to strict codes of conduct and ethics.

“”

I have the gift, the gift of being present. Being present for my family. I have freedom, I can do anything now. I have been given the ability to repair the damage I made with my family now

Who will be caring for you?

- + Highly trained, registered and accredited mental health professionals
- + Specialists who engage in continuous professional development and adhere to National Institute for Health and Care Excellence (NICE) guidelines, and other relevant standards
- + Experts who are qualified under a range of professional bodies, including the Health and Care Professions Council (HCPC), the British Association for Counselling and Psychotherapy (BACP), the British Association for Behavioural and Cognitive Psychotherapies (BABCP) and the United Kingdom Council for Psychotherapy (UKCP)

Live your life

“”

I will always be grateful to the Priory team. When I believed I was utterly lost and broken, they guided me into recovery and towards the future that I now believe I deserve.

How are we regulated?

Our sector is regulated by a number of bodies:

- + The Care Quality Commission (CQC), which reports on health and adult social care services in England
- + Ofsted, which inspects and regulates services that care for children and young people
- + Regulation and Quality Improvement Authority (RQIA)
- + Care Inspectorate (Scotland)
- + Healthcare Improvement Scotland (HIS)
- + Care and Social Services Inspectorate Wales (CSSIW)
- + Health Inspectorate Wales (HIW)
- + Care Inspectorate Wales (CIW)

What we can offer

- + Familiarity and stability in an integrated Priory service
- + Free and comprehensive initial assessments on certain programmes
- + Breadth and depth of services with flexible, evidence-based care, which is tailored to meet the unique needs of everyone we support
- + Access to dedicated, expert multidisciplinary teams providing whole-person care
- + Full-board accommodation for a nationwide network of inpatient services with housekeeping, tailored menus, and support services also available
- + Wellbeing activities such as yoga and acupuncture
- + Outpatient and day care options also available
- + 1:1 therapy sessions, group support, and aftercare including a wide-range of therapy options and family support
- + Fast access to treatment, both face-to-face and online
- + Tailored plans through self-pay or private medical insurance
- + Compassionate, confidential and committed care
- + Innovative care programmes and pathways, which demonstrate tangible results for the people we support

We are committed to investing back into our services and use the feedback of the people who use and commission our services to continually develop and improve.
