

Getting the right help for your needs

Priory understands how important it is to find the right care, and we want to ensure you are connected with the services that are best suited to your situation. Whilst we may not always be able to support your specific needs, it is important to us, you find somewhere that can.

If you feel you're in immediate danger or need urgent support:

- + You can dial 999 in an emergency
- + You can also attend your local A&E department if you feel unable to keep yourself safe
- + Contact your out-of-hours GP service. Google 'out of hours GP in x' (give your location)
- + Inform your GP if you feel that your mental health is deteriorating
- + Contact your local 24-hour NHS Urgent Mental Health Helpline

There are also helplines that you could call, if you feel you need additional support. Some options are provided below:

Chasing the Stigma partnership

Priory has teamed up with national mental health charity, Chasing the Stigma, to help people access a range of support via a unique and free online directory called the Hub of Hope. The Hub of Hope connects people of all ages to more than 14,000 services and groups across the UK, directing them to the nearest relevant local support using either their postcode or the location of the web browser or mobile. Visit www.hubofhope.co.uk for more information.
