

# Private eating disorder services

**Priory is the UK's largest independent provider of eating disorder treatment to adults and young people. With hospitals and wellbeing centres across the country, we offer expert treatment for conditions such as anorexia, bulimia, binge eating disorder (BED) and other specified feeding or eating disorders (OSFED).**

We tailor our treatment programmes to meet the personal needs of each patient and offer bespoke therapy across inpatient, day care and outpatient services.

## Service overview

- + Expert teams consisting of highly-skilled psychiatrists, psychologists, therapists, nurses and other mental health professionals
- + Bespoke treatment plans, reflecting a comprehensive understanding of the nature of a patient's condition
- + Treatment including 1:1, group, family and couples therapy
- + National Institute for Health and Care Excellence (NICE) approved treatment including Maudsley Model of Anorexia Nervosa Treatment for Adults (MANTRA), cognitive behavioural therapy (CBT) and dialectical behaviour therapy (DBT)
- + Medical monitoring of physical health, as well as mental health, by eating disorder specialists

## Our outcomes

At Priory, we are committed to delivering expert, personalised eating disorder treatment that results in the most positive outcomes for each and every one of our patients. We use a range of outcome metrics to measure our patients' satisfaction and progress, and ask every person who uses our services to let us know how they found their treatment experience and if there is anything that we can improve upon.

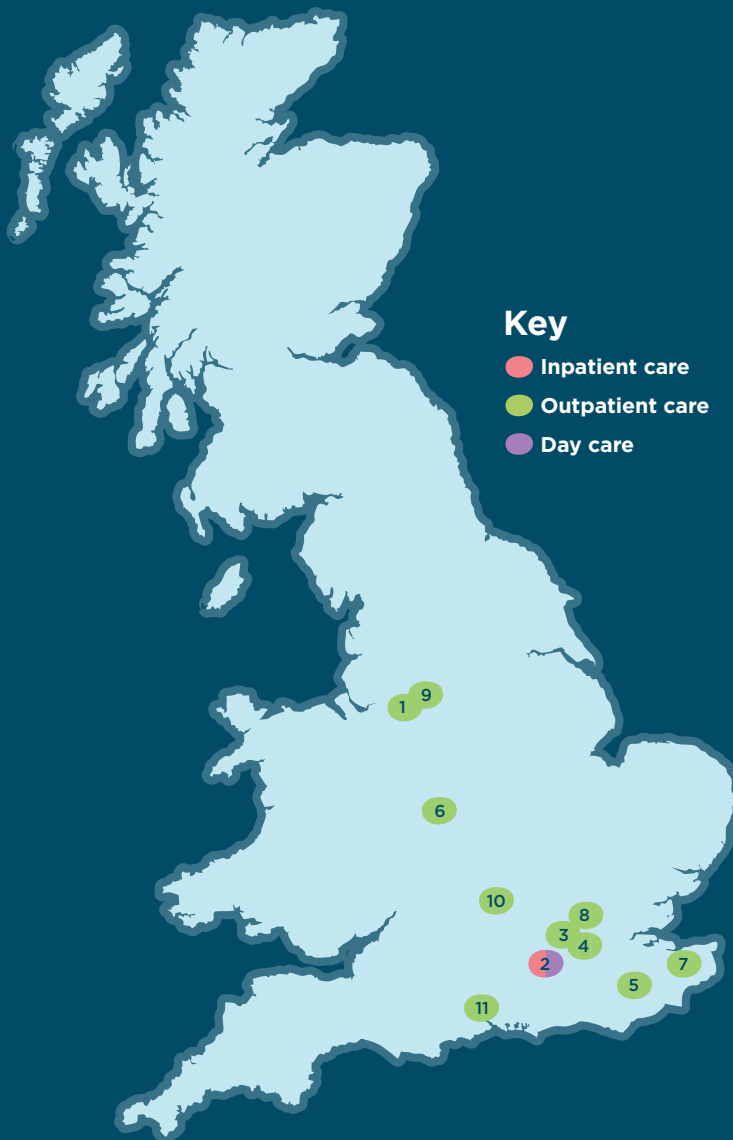

## Accessing support

Priory strives to deliver an inclusive service that provides a range of innovative pricing plans and personalised packages, for individuals who are looking to self-fund or access treatment via private medical insurance.

Priory is a registered and approved provider for all of the UK's leading private medical insurers, including Bupa, Vitality, Aviva, Cigna, WPA and AXA Health.
